SOS printout → Milby

Liz

Old CI program vs the New CI program

1. Show number of brands for the old program vs the new program
2. Minor brands (eliminated)
3. Test we deleted, test we added
4. Monthly vs every other month

Susan

1. Look at current sales (drop and add brands) → Milby Rockwell Spruill
2. Which test can we drop
3. Start sending report (6-10 copies) → Litigation Prod. Rev. Leak
4. List of who has been using data and why

Review with Tennen (1st) Cost (2nd)

Get rid of Eq. Firmness (2x's per year)
Loose ends (monthly)
Paper fiber content (2x's per year)

Calculate manpower saved (Tech → Sup/analyst)
10 Brands (omit) —
— Tests

Analyst time

Review list.

* Brands taken away
* Brands added
